

Talking Points

- Total visitation brought in **\$38,306,011** in spending, showing positive growth compared to previous periods. This indicates how visitors are actively supporting local businesses during their stay.
- The average spend per visitor for **Accommodations** in this timeframe is **\$779.35**. High spending in this category suggests that visitors prioritize their stay comfort, influencing their overall trip experience.
- Overnight visitors accounted for **20.08%** of all visitor days. They spent on average significantly more compared to day visitors, showing the value of overnight stays in generating revenue for the area.
- 45.27%** of your visitation comes from repeat visitors. This highlights the strong loyalty and satisfaction among visitors coming back for more experiences.
- 56.42%** of visitor days are attributed to overnight visitors. This emphasizes the importance of longer stays in contributing to the overall visitor experience and spending patterns.
