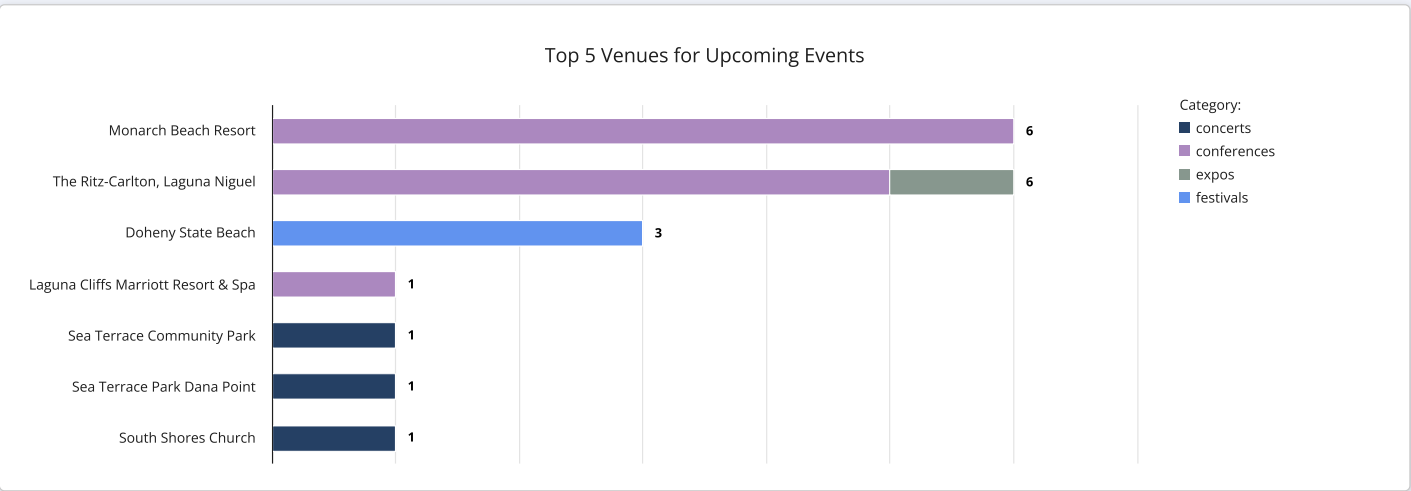
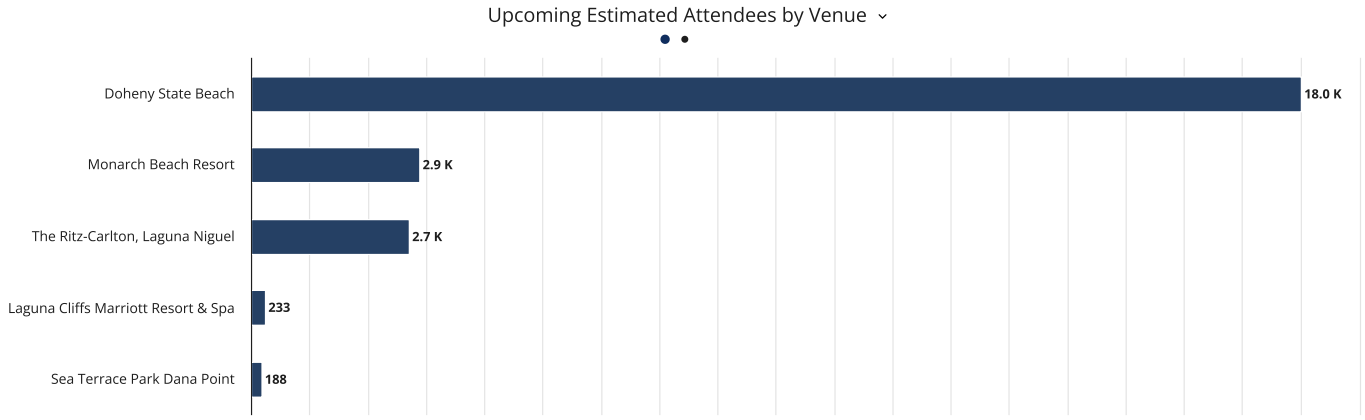
Source: PredictHQ. Note: Events below include Conferences, Expos, Festivals, Concerts, Sports and Performing-Arts only. Other event types in the Category filter at the top are not tied to these insights. Tip: Click into any venue name for more event details.





What upcoming events are expected to have the biggest impact on air travel?

Source: PredictHQ. Note: Events below include Conferences, Expos, Festivals, Concerts, Sports and Performing-Arts only. Other event types in the Category filter at the top are not tied to these insights. Travel Impact is a way to compare events based on the impact they are estimated to have on air travel. Events with a higher Travel Impact are expected to bring more air travel passengers than events with lower (scale of 0-100). Events with a Travel Impact less than 50 are filtered out of the below insight. Tip: Click into any event name for more details.
